The Downline Builder & Your Primary Business

- What is a Downline Builder?
- How does a Downline Builder work?
- How do I make money with it?
- The Contact List Builder System
- The Flow

What is a Downline Builder?

- List of programs within CLB that are resources and/or tools to help you promote your business
- Ability to add your personal id or username for each specific program

How does a Downline Builder work?

- You become an affiliate CLB
- You enter your id or username for each program, following the steps in the system
- Important to setup each program before joining the next

You focus on promoting CLB

When you sponsor a new member,
they will duplicate what you do

When they signup in the programs
from the downline builder, YOU
get credit

How do I make money with it?

- When your new referrals join and upgrade in the downline builder programs, you earn a commission

The Contact List Builder System

- Free or Upgraded options (earn 10% or 50%)

Downline Builder

- YOUR Primary Business
 - You can use our system to promote any business you wish
- Tools & Resources
 - When someone joins and upgrades in any of our recommended programs, you will earn a commission
